DENTAL CORE TRAINING 2024/25

NHS ENGLAND WT & E – SCOTLAND

Scotland - East Kilbride PDS then Glasgow Dental Hospital (Oral Surgery)

		The second part of the post at GDH will commence in March 2025 through to August 2025. The Oral Surgery department at Glasgow Dental Hospital & School offers a broad range of clinical activities and experience in the following; consultant clinics, minor Oral Surgery sessions, supervision and clinical teaching of BDS students, management of emergency patients and experience in either sedation sessions or theatre lists at non base hospital sites. There is a regular Oral Surgery journal club, at which DCTs are expected to present, to benefit from appraisal by senior staff.
10.	Suitable for Temporary Registrant?	NO
11.	Primary Care element Performer/List Number required?	YES
12.	Pattern of working including any on-call commitment	Monday – Friday
13.	Educational programme summary	<p>There is a Scotland-wide education programme for Dental Core Trainees which is designed to match the DCT curriculum. The programme has four themes running through each year of Dental Core Training. These are: Clinical, Communication, Career Development Skills and Quality Improvement & Patient Safety. Posts begin with a local health board and NES induction, followed by face-to-face study events throughout the year, supported by Turas Learn. These events include all Dental Core Trainees in Scotland, as does the annual DCT conference.</p> <p>All trainees have access to study leave time (in line with terms and conditions of service) and budget. This is predominantly to fund attendance of DCTs at the compulsory NES Educational events, however funding may be available to contribute to the cost of other courses linked to an agreed PDP.</p> <p>DCT posts include time for self-directed learning and trainees are encouraged to use this time for personal study and to complete quality improvement projects.</p>
