		<p>proficient in the use of alternative treatment adjuncts such as Silver Diamine Fluoride and Single Tooth Anaesthesia with the Wand®. You will receive supported training in Inhalation Sedation with experienced PDS practitioners and may also have the opportunity to participate in GA sessions. There will be opportunities for experience in National Primary Care Public Health programmes, such as the National Dental Inspection Programme, Childsmile, Caring for Smiles. There will be a requirement to travel within the NHS Greater Glasgow & Clyde health board area to different PDS clinics.</p> <p>The second part of the post is in the Restorative Dentistry department at Glasgow Dental Hospital & School and will commence in March 2025 until August 2025. This will offer experience in the following aspects of Dentistry; Periodontology, Fixed and Removable Prosthodontics and Endodontics. There are both core and specialty level training post holders working throughout the department. There is a close working relationship with the School for Dental Care Professionals and the University of Glasgow Dental School, both located within GDH. Clinical experiences may include; new patient referral clinics, treatment sessions, including basic surgical training, supervision of BDS or BSc students, and an emergency patient session.</p>
10.	Suitable for Temporary Registrant?	NO
11.	Primary Care element Performer/List Number required?	YES
12.	Pattern of working including any on-call commitment	Monday - Friday
13.	Educational programme summary	<p>There is a Scotland-wide education programme for Dental Core Trainees which is designed to match the DCT curriculum. The programme has four themes running through each year of Dental Core Training. These are: Clinical, Communication, Career Development Skills and Quality Improvement & Patient Safety. Posts begin with a local health board and NES induction, followed by face-to-face study events throughout the year, supported by Turas Learn. These events include all Dental Core Trainees in Scotland, as does the annual DCT conference.</p> <p>All trainees have access to study leave time (in line with terms and conditions of service) and budget. This is predominantly to fund attendance of DCTs at the compulsory NES Educational events, however funding may be available to contribute to the cost of other courses linked to an agreed PDP.</p>
