The Paediatric Department within Glasgow Dental Hospital & School may offer clinical experience in the following: new patient assessment; treatment sessions, including inhalation sedation; dental accident and emergency; dental trauma management; and multidisciplinary clinics. Clinical time will also be spent within RHC where DCTs may gain experience in new patient assessment and treatment of medically complex children and the in-/ out-patient care of children requiring priority dental care, including those with oncology, haematology and cardiac diagnoses. There are 5 WTE DCT's plus Speciality Registrars in the department. All incoming DCT's will undergo an extensive departmental induction programme.	
10.	Suitable for Temporary Registrant?		NO
11.	Primary Care element		NO

DENTAL CORE TRAINING 2024/25
NHS ENGLAND WT & E – SCOTLAND

Scotland - Glasgow Dental Hospital (Paediatric Dentistry)

	Performer/List Number required?	
12.	Pattern of working including any on-call commitment	Monday - Friday
13.	Educational programme summary	<p>There is a Scotland-wide education programme for Dental Core Trainees which is designed to match the DCT curriculum. The programme has four themes running through each year of Dental Core Training. These are: Clinical, Communication, Career Development Skills and Quality Improvement & Patient Safety. Posts begin with a local health board and NES induction, followed by face-to-face study events throughout the year, supported by Turas Learn. These events include all Dental Core Trainees in Scotland, as does the annual DCT conference.</p> <p>All trainees have access to study leave time (in line with terms and conditions of service) and budget. This is predominantly to fund attendance of DCTs at the compulsory NES Educational events, however funding may be available to contribute to the cost of other courses linked to an agreed PDP.</p> <p>DCT posts include time for self-directed learning and trainees are encouraged to use this time for personal study and to complete quality improvement projects.</p>
