

Pre-Registration Pharmacist Post 2019/20

Stonehaven is a beautiful coastal town on Scotland's northeast coast and has a population of around 11,600. Located 15 miles south of Aberdeen with frequent rail and bus links, it is no surprise that Stonehaven was voted the best Seaside Town in Scotland in 2010.

Stonehaven is home to a picturesque Harbour, surrounded by cafes and restaurants, the stunning 13th Century Dunnottar Castle with breath-taking views, the Stonehaven War Memorial alluding to the history of the town, the unique Stonehaven Fireballs Festival held every Hogmanay, the spectacular Stonehaven Golf Course with amazing views, the UK's one and only art deco Open Air Heated Olympic sized pool and of course the wonderful Stonehaven beach with its world renowned Aunt Betty's Ice Cream shop!

The Pharmacy and the Team

Charles Michie Stonehaven is situated in the heart of the town's Market Square with close links to the local Stonehaven Medical Centre. Our pharmacy proudly provides the following services:

NHS & Private Prescription Dispensing | EMAS & CMS Services | Gluten Free Service | Flu Clinic | Travel Health Clinic | Anti-Malarials | Dosette Box Services | Treatments for UTI & Impetigo | Card & Gift Room

You will be working within a well-established pharmacy team comprising of dispensing assistants, pharmacy technicians, ACT (in training) medicine counter assistants and gift department sales assistants. Paul Dunlop is the Pharmacy Manager at Stonehaven and he has a vast amount of pharmacy experience.

During your pre-registration training year, your tutor Paul will provide a hands-on learning experience and you will encompass a whole range of duties whilst working within the dynamic pharmacy team. A half day study period will be provided every week with plenty resources and opportunities for learning and researching on the job. We are a group of seven pharmacies and an opportunity to gain an insight into the operation of other branches can be provided.
