

POST DCT FELLOWSHIP 2021/22

Scotland - NHS GG&C PDS - Special Care Dentistry

**Post not suitable for temporary registrants*

1.	HEE team/Deanery name	Scotland
2.	Type of training post	Post DCT Fellowship
3.	Post information	September 2021 – September 2022
4.	Training unit/location/s	This post is based within the Public Dental Service of the Oral Health Directorate, NHS Greater Glasgow and Clyde Health Board. The Special Care Dental Service operates from a number of health centres and hospital located within the Board area.
5.	Full address of training units where training will take place	Various sites within the NHS GG&C Health Board area
6.	Travelling commitment	There will be a requirement to travel within the Greater Glasgow and Clyde Board area in order to obtain a range of experience.
7.	Educational Supervisor	TBC
8.	Description of the training post	Special care dentistry is concerned with the oral health of adults who cannot accept routine dental care because of some physical, intellectual, medical, emotional, sensory, mental or social impairment. The special care service in NHS GG&C is led by the NHS consultant and honorary consultant along with specialists and senior dentists. Care is provided with local anaesthesia, sedation and general anaesthetic. We have a range of aids to facilitate the safe management of those with physical disabilities. Liaison with other health and social care professionals is required. The service provides assessment and treatment for the patients of number of regional and national medical and surgical services including the Beatson West of Scotland Cancer Centre, the West of Scotland Haemophilia and Thrombosis Centre, and the Scottish National Advanced Heart Failure Service. You will gain experience in the management of the range of adult patients with additional care needs. There may be opportunities for teaching undergraduates and other development opportunities, depending on your particular interests.
9.	Primary Care training element	Applicants should be eligible for an NHS list number.

10.	Pattern of working, including any on-call commitment	40 hours per week 8.30am - 4.30pm on weekdays.
11.	Educational programme summary and library facilities	<p>There is a Scotland-wide education programme for Post DCT Fellows which incorporates components of the DCT curriculum. These events will involve all the Post DCT Fellows in Scotland and will be held virtually during 2021. The annual trainee conference will give an opportunity for all Dental Core Trainees to submit work to be presented.</p> <p>The Post DCT Fellowship posts include time for self-directed learning and trainees are encouraged to use this time for personal study and to complete quality improvement projects or research. All trainees have access to study leave time (in line with terms and conditions of service) and budget. This may be used to access MFDS/MFD/MJDF courses and other courses linked to an agreed PDP.</p>
