I understand that photographs and film stills taken of me may be added to the NHSScotland Photo Library for wider use.

I understand that the materials I have consented to may be used in a variety of formats and platforms including but not exclusive to; publications (both printed and online), leaflets, posters, presentations, advertising and web sites (including external social media websites). Distribution of these materials may be geographically diverse and I understand that the general public worldwide may see the materials.

I am aware that materials will be held indefinitely and I can ask for them to be removed at any time by contacting the gnc@nes.scot.nhs.uk. I understand that appropriate steps will be taken to remove materials on request, but it may not be possible to stop their use completely.

I hereby give my informed consent for the materials to be used as set out above. I know I will not be paid for allowing the materials to be used and I am giving this consent freely and without any expectation of more or better treatment from the GNC because of it.
