

## DENTAL CORE TRAINING 2022/23

### Scotland - Forth Valley Hospital (OMFS)

1.	<b>Deanery name</b>	Scotland
2.	<b>Type of training post</b>	DCT3
3.	<b>Rotational Post information</b>	Forth Valley Hospital, Oral and Maxillofacial Surgery (OMFS)
4.	<b>Training unit/location/s</b>	This post is based within NHS Forth Valley based at Forth Valley Hospital.
5.	<b>Full address of training units where training will take place</b>	Forth Valley Royal Hospital, Stirling Road, Larbert, FK5 4WR
6.	<b>Travelling commitment</b>	There will be a requirement to travel within the NHS Forth Valley and Lanarkshire Health Boards in order to obtain a range of experience.
7.	<b>Educational Supervisor</b>	Will be confirmed with post-holder
8.	<b>Description of the training post</b>	<p>Oral and Maxillofacial Surgery is based at Forth Valley Royal Hospital. There are multi-disciplinary clinics for patients with head and neck malignancy and facial deformity and trauma. There are three all-day general anaesthetic operating lists. There are four local anaesthetic sessions per week in addition to two IV Sedation/LA lists per week. There are outpatients clinics daily encompassing specialist Head and Neck Oncology and Facial Deformity/Orthognathic and Trauma. The DCTs are supported by medically qualified Foundation Doctors for inpatient management of elective and unscheduled care. They are also supported by OMFS Staff Grades and Associate Specialist, Registrar and two resident Consultants in FVRH. DCTs attend ward rounds and theatre lists. They assist in outpatient clinics -and are bleep holder first on-call for emergency cases. There is one session allocated per week for study, and a further session for minor oral surgery performed under local anaesthesia.</p> <p>The current on call is shared with NHS Lanarkshire. This can involve A&amp;E attendances in the NHS Lanarkshire hospitals; Monklands District General Hospital, Wishaw General and Hairmyres Hospital in addition to the Forth Valley Royal Hospital acute site. FVRH, currently takes admissions from both Forth Valley and NHS Lanarkshire during the week and solely Forth Valley at weekends with Lanarkshire admissions going to Greater Glasgow and Clyde over the weekend.</p> <p>The on-call rota is currently 1:5 non-resident. On-call can involve travelling between hospitals to see or review patients. You must be able to travel between hospitals. The current on call is supported by the West of Scotland specialist registrars and Forth Valley and Lanarkshire</p>

		consultants. It is recommended that you reside within a 30-minute travel time radius from your on-call base
9.	<b>Primary Care training element</b>	None
10.	<b>Educational programme summary and library facilities</b>	<p>There is a Scotland-wide education programme for DCT3s which is designed to match the DCT curriculum. The programme will include an induction followed by a number of study events throughout the year, supported by Turas Learn. These events will be delivered with a mix of face to face and online sessions, which will include all DCT3s training in Scotland, as does the annual trainee conference which includes the DCT1s and DCT2s. All trainees have access to study leave time (in line with terms and conditions of service) and budget. This may be used to access MFDS/MFD/MJDF courses and other courses linked to an agreed PDP. DCT3 posts include time for self-directed learning and trainees are encouraged to use this time for personal study and to complete quality improvement projects.</p> <p>All DCTs, who have not worked in an Oral and Maxillofacial Surgery (OMFS) unit in Scotland previously, attend an additional two-day induction course: Maxfacts. This course is designed to cover the essential skills for an OMFS DCT post and is delivered by OMFS consultants and senior trainees. The teaching is backed up by on-line resources which will be made available to DCTs prior to the Maxfacts course.</p>
<b>11.</b>	<b>Employment information</b>	
12.	<b>Employer</b>	NHS Education for Scotland (NES)
13.	<b>Placement Board</b>	NHS Forth Valley
