

DENTAL CORE TRAINING 2022/23

Scotland - Glasgow Emergency Dental Treatment Clinic PDS then Glasgow Dental Hospital (Restorative)

1.	Deanery name	Scotland
2.	Type of training post	DCT1
3.	Rotational Post information	<p>Rotational</p> <p>September 2022 – March 2023 - Emergency Dental Treatment Clinics (EDTC) Floor 1 Glasgow Dental Hospital, Glasgow: Public Dental Service (PDS, also referred to as the Community Dental Service).</p> <p>March 2023 – August 2023 - Glasgow Dental Hospital (GDH), Glasgow: Restorative.</p>
4.	Training unit/location/s	This post is based within NHS Greater Glasgow and Clyde Health Board. Six months will be at the Glasgow Dental Hospital (GDH) Emergency Dental Treatment Centre (EDTC) for the PDS then six months at Glasgow Dental Hospital (GDH) in the Restorative Dentistry department.
5.	Full address of training units where training will take place	<p>Emergency Dental Treatment Clinics Floor 1 Glasgow Dental Hospital, 378 Sauchiehall Street, Glasgow, G213JZ</p> <p>Glasgow Dental Hospital and School, 378 Sauchiehall Street, Glasgow, G2 3JZ</p>
6.	Travelling commitment	There will be a requirement to travel within the Greater Glasgow and Clyde Board area in order to obtain a range of experience.
7.	Educational Supervisor	Will be confirmed with post-holder
8.	Description of the training post	<p>In the PDS rotation from September 2022 to March 2023 you will have the opportunity to work in a variety of locations with a range of clinical supervisors where you will provide a range of treatment for PDS patient groups including children and adults with special care needs. You will receive training in Inhalation Sedation and may be able to participate in GA sessions.</p> <p>The second part of the post is in the restorative department at Glasgow Dental Hospital and School and will commence in March 2023 until August 2023. This will offer experience in the following aspects of dentistry; Periodontology, Fixed and Removable Prosthodontics and Endodontics. There are both core and specialty level training post holders working throughout the department. There is a close working relationship with the School for Dental Care Professionals and the University of Glasgow Dental School, both located within GDH. Clinical experiences may include; new patient referral clinics, treatment sessions, including basic surgical training, supervision of BDS or BSc students, and an emergency patient session.</p>
9.	Primary Care training element	In this post the DCT1 will work for six months in the PDS. You therefore need to be eligible for an NHS list number.

10.	Educational programme summary and library facilities	<p>There is a Scotland-wide education programme for DCT1s which is designed to match the DCT curriculum. The programme will include an induction followed by a number of study events throughout the year, supported by Turas Learn. These events will be delivered with a mix of face to face and online sessions, which will include all DCT1s training in Scotland, as does the annual trainee conference which includes the DCT2s and DCT3s. In addition, there will be an education programme for DCT1s during their time in the Public Dental Service which has been designed to support this role.</p> <p>All trainees have access to study leave time (in line with terms and conditions of service) and budget. This may be used to access MFDS/MFD/MJDF courses and other courses linked to an agreed PDP. DCT1 posts include time for self-directed learning and trainees are encouraged to use this time for personal study and to complete quality improvement projects.</p>
