10.	<b>Educational programme summary and library facilities</b>	<p>There is a Scotland-wide education programme for DCT1s which is designed to match the DCT curriculum. The programme will include an induction followed by a number of study events throughout the year, supported by Turas Learn. These events will be delivered with a mix of face to face and online sessions, which will include all DCT1s training in Scotland, as does the annual trainee conference which includes the DCT2s and DCT3s. In addition, there will be an education programme for DCT1s during their time in the Public Dental Service which has been designed to support this role.</p> <p>All trainees have access to study leave time (in line with terms and conditions of service) and budget. This may be used to access MFDS/MFD/MJDF courses and other courses that are appropriate to the DCT's stage of training and on a relevant topic. DCT1 posts include time for self-directed learning and trainees are encouraged to use this time for personal study and to complete quality improvement projects.</p> <p>All DCTs, who have not worked in an Oral and Maxillofacial Surgery (OMFS) unit in Scotland previously, attend an additional two-day induction course: Maxfacts. This course is designed to cover the essential skills for an OMFS DCT post and is delivered by OMFS consultants and senior trainees. The teaching is backed up by on-line resources which will made available to DCTs prior to the Maxfacts course.</p>
