General Nursing Council for Scotland (Education) Fund 1983 and Margaret Callum Rodger Midwifery Award

An education and learning opportunity for registered nurses and midwives working in different care areas in Scotland

Funding is available to support the following activities:

- **Educational Development Activity**
- **Small Scale Project (Research / Quality Improvement / Innovation)**
- **Study Tour**

In the past the fund has enabled successful applicants:

Financial support from the GNC Fund has supported the development of my academic studies to Masters Level. Working towards this qualification has enabled me to more skillfully reflect on my practice, enhance my teaching and learning skills and will contribute to my future career development within nurse education.

Jacqueline Carrigan
Nursing and Midwifery Practice Educator, NHS Education for Scotland hosted in NHS Greater Glasgow and Clyde

Supported by funding from the GNC, Dr Anna Jack-Waugh and Julie Garton travelled to The Netherlands in August 2019 to see Green Care Farms for people living with dementia in action. Two farm observational visits and an academic meeting at the University of Wageningen, facilitated the team to experience the research evidence and in-practice reality of established Green Care Farms.

Dr Anna Jack-Waugh
Senior Lecturer in Dementia, Alzheimer Scotland Centre for Policy and Practice , School of Health and Life Sciences , University of the West of Scotland. Detailed information here.

You will be required to show how the activity will benefit practice. Priority will be given to applicants who demonstrate initiatives for improving care and people's involvement in their care.

HOW TO APPLY

Further information about the scholarship and the application form can be found on the NES website
https://www.nes.scot.nhs.uk/our-work/general-nursing-council/

Fund opens for submission of applications on 21st October 2024 and closes 24th January 2025.
