

MPharm Experiential Learning (EL) Placement Communication Pathway

This pathway is for use by EL placement facilitators, University staff and student pharmacists. The purpose of the pathway is to provide you with clear instructions on who you should contact about any matters related to RGU EL placements.

After contact is made using the Communication Pathway, a member of the Professional Experiences Team may wish to explore this with you to determine whether any further action is required. All communications will be recorded and where necessary, a written report will be submitted to the MPharm Placement Officer. Information may be shared with the MPharm Course Leader and Professional Experiences Team as appropriate.
