HOW DO I GET A PROFESSIONAL PORTFOLIO?

Already have Turas Learn or Turas Appraisal?

Simply go to dashboard and add the
Professional Portfolio application

If not, self-register now at

<https://turasnmpportfolio.nes.nhs.scot>

Your email address is your unique identifier
so only register once

NESSD1002 | NHS Education for Scotland 2019

Evidence

Includes templates to record reflections, learning, obtain feedback and present evidence for NMC revalidation.

Uploaded Documents

A space to store associated documents you may wish to include in your portfolios, e.g. supplementary evidence to support your CPD log for revalidation.

Sharepacks

Create a Sharepack to bring all related evidence together to share with your manager, confirmer or for your own use.

WHAT IS PROFESSIONAL PORTFOLIO?

- An online resource to support nurses and midwives to generate and record evidence of continuing professional development (CPD)
- Contains templates and guidance to support learning and recording of evidence
- Designed to help you develop a portfolio of evidence

WHY USE IT?

- Keep information and evidence in one place e.g. for revalidation, appraisal review, supervision, planning personal and career development
- Organise and share information easily with others
- Designed to help you develop a portfolio of evidence

WHERE CAN I GET HELP?

- Use the green Helpdesk tab on Turas

- Contact local Practice Educators, PEFs, CHEFs, and GPN Educators
- Go to the NES website: nes.scot.nhs.uk
