PERSON SPECIFICATION 2025

| Potential to cope with stressful situations and undertake responsibility Values: Understands, respects, and demonstrates the following values: everyone counts; improving lives; commitment to quality of care; respect and dignity; working together for patients; compassion | | |
|--|--|---|
| Probity – professional integrity | | |
| Capacity to take responsibility for own actions Demonstrates respect for all Able to demonstrate professional attitude | | When is this evaluated? Application form, Selection centre, References |
| Commitment to learning and personal develope | ment | |
| Commitment to prospective training post and demonstrates insight into the structure and benefits of Dental Core Training Capacity and motivation to learn from experience and constantly update skills/knowledge | Clear desire to pursue Evidence of teaching experience Enthusiasm for teaching; exposure to different groups/teaching methods Publications Presentations | When is this evaluated? Application form, Selection centre, References |

[&]quot;When is this evaluated" is indicative but may be carried out at any time throughout the selection process.

ⁱⁱ Refers to the date at which the post commences.

There is an exemption for dual qualified applicants, who can apply directly from the undergraduate dental programme, if they have evidence of completing the UK medical foundation programme.

iv Essential for all DCT training posts based in Primary Care setting and desirable for all other posts. Not essential for Community Dental Service posts in Northern Ireland or Wales.

^v Many DCT posts require the post holder to travel between different hospital/clinic sites within a working day.

^{vi} 'Selection centre' refers to a process, not a place. It involves a number of selection activities which may be delivered within the unit of application

vii The language skills requirement for DCT recruitment are based on those required for GDC registration
