

DENTAL CORE TRAINING

Scotland – DCT2 – Aberdeen Royal Infirmary - OMFS

1.	Deanery name	Scotland
2.	Type of training post	DCT2
3.	Rotational Post information	Rotational September 2022 – September 2023 – Aberdeen Royal Infirmary, Oral and Maxillofacial Surgery Department
4.	Training unit/location/s	This 12 month post will then be based at the Aberdeen Royal Infirmary at the Oral & Maxillofacial Surgery Department
5.	Full address of training units where training will take place	Aberdeen Royal Infirmary, Foresterhill, Aberdeen AB25 2ZN
6.	Travelling commitment	There will be a requirement to travel within the NHS Grampian board area in order to obtain a range of experience.
7.	Educational Supervisor	Will be confirmed with post-holder
8.	Description of the training post	<p>The 12 months of this post are spent at Aberdeen Royal Infirmary in the Department of Oral and Maxillofacial Surgery which provides a Consultant Service to the Medical and Dental Practitioners of the North East of Scotland, including Moray, Orkney & Shetland, total population 630,000. The Out-Patient Department is situated within the Aberdeen Royal Infirmary. Current Staffing is 5 consultants, 5 specialty doctors, 1 StR , 3 DCT, 2 FY2 and 2 DCT1. Currently four all day in-patient operating sessions and one day case session are held monthly in the General Theatre complex and one in-patient operating session at the Royal Aberdeen Children's Hospital is held fortnightly. Facilities are available for operating throughout the twenty-four hours on emergency cases as required. There are 15 LA out-patient sessions a week some of which include sedation. There are seven Consultant lead General Clinics per week. Combined clinics to discuss treatment of facial disproportion held on a weekly basis with the orthodontists. Combined restorative/maxillofacial implant clinics are held monthly. Weekly combined Head and Neck clinics are held with ENT and Oncology within the Maxillofacial department.</p> <p>The post holders duties will include, attending outpatients, ward duties, attending theatre and a 1 in 5 Monday to Friday on call rota.</p>
9.	Primary Care training element	N/A
10.	Educational programme summary and library facilities	There is a Scotland-wide education programme for DCT2s which is designed to match the DCT curriculum. The programme will include an induction followed by a number of study events throughout the year, supported by Turas Learn. These events will be delivered with a mix of face to

		<p>face and online sessions, which will include all DCT2s training in Scotland, as does the annual trainee conference which includes the DCT1s and DCT3s. All trainees have access to study leave time (in line with terms and conditions of service) and budget. This may be used to access MFDS/MFD/MJDF courses and other courses linked to an agreed PDP. DCT2 posts include time for self-directed learning and trainees are encouraged to use this time for personal study and to complete quality improvement projects.</p> <p>All DCTs, who have not worked in an Oral and Maxillofacial Surgery (OMFS) unit in Scotland previously, attend an additional two-day induction course: Maxfacts. This course is designed to cover the essential skills for an OMFS DCT post and is delivered by OMFS consultants and senior trainees. The teaching is backed up by on-line resources which will be made available to DCTs prior to the Maxfacts course.</p>
