8.	Contact details for Educational Supervisor	tbc	
9.	Description of training post	<p>The DCT1 will undertake a range of PDS duties from September 2024 to March 2025. These may include dental inspection of schools, domiciliary care, care of patients who have special needs or require special care, and paediatric dentistry. There may also be opportunities to participate in GA lists. You may receive training in inhalation sedation. National Dental Inspection Programme and Childsmile activity may also be offered. Although Marquis Road will be the clinic base, sessions will regularly take place in other clinics.</p> <p>The part of the post based at ADH, ARI, RACH and Stracathro Hospital will commence in March 2025 through to August 2025. At ADH the DCT1 will be based in the Restorative Dentistry Department and be involved in the care of patients with varying and complex treatment needs. The post will involve the trainee attending new patient consultation clinics, in addition to carrying out treatment clinics. The full range of procedures in Restorative Dentistry is carried out in a fully integrated manner. All aspects of Endodontics, Periodontics, Fixed and Removable Prosthodontics, including Maxillofacial Prosthodontics, and Implant Dentistry are performed. The DCT1 will also be involved with Oral Surgery/OMFS clinics and operating at ADH, ARI, RACH and Stracathro Hospital.</p>	
10.	Suitable for Temporary Registrant?		NO
11.	Primary Care element Performer Number required?	YES	
12.	Pattern of working including any on-call commitment	<p>PDS: Monday - Friday</p> <p>ADH/ARI/RACH/Stracathro: Monday - Friday</p>	
13.	Educational programme summary	<p>There is a Scotland-wide education programme for Dental Core Trainees which is designed to match the DCT curriculum. The programme has four themes running through each year of Dental Core Training. These are: Clinical, Communication, Career Development Skills and Quality Improvement & Patient Safety. Posts begin with a local health board and NES induction, followed by face-to-face study events throughout the year, supported by Turas Learn. These events include all Dental Core Trainees in Scotland, as does the annual DCT conference. All trainees have access to study leave time (in line with terms and conditions of service) and budget. This is predominantly to fund attendance of DCTs at the compulsory NES Educational events, however funding may be available to contribute to the cost of other courses linked to an agreed PDP. DCT posts include time for self-directed</p>

		learning and trainees are encouraged to use this time for personal study and to complete quality improvement projects. All DCTs, who have not worked in an Oral & Maxillofacial Surgery (OMFS) unit in Scotland previously, attend an additional two-day induction course known as Maxfacts. This course is designed to cover the essential skills for an OMFS DCT post and is delivered by OMFS consultants and senior trainees. The teaching is backed up by on-line resources which will made available to DCTs prior to the Maxfacts course
