

DENTAL CORE TRAINING 2022/23

Scotland - St John's Hospital - OMFS

1.	HEE team/Deanery name	Scotland
2.	Type of training post	DCT3
3.	Rotational Post information	
4.	Training unit/location/s	St John's Hospital, Oral and Maxillofacial Surgery Department
5.	Full address of training units where training will take place	St John's Hospital Howden Road West, Howden, Livingston EH54 6PP
6.	Travelling commitment	There will be a requirement to travel within the NHS Lothian Board area in order to obtain a range of experience.
7.	Educational Supervisor	To be confirmed with the post holder
8.	Description of the training post	This is a busy Oral and Maxillofacial Surgery unit with a dedicated ward. Post holders will gain experience in the management of oncology, trauma and facial deformity in outpatient clinics and operating lists. The post also offers experience of dento-alveolar surgery under general anaesthesia, local anaesthesia, inhalational and intravenous sedation. A medical FY1 doctor supports patient ward care.
9.	Primary Care training element	
10.	Pattern of working, including any on-call commitment	40 Hours per week. Weekdays 8:30 am - 5:30 pm Out of hours cover by one DCT on 1 in 5 rota: Monday 8:30 am – 9:00pm, Tuesday / Wednesday / Thursday 8:30 am – 6:30pm, Friday 8:30 am - 9:00pm, Saturday 8:30 am – 9:00pm, Sunday 8:30 am – 7:30pm. The rota is compliant and there is appropriate compensatory rest within the rota template.
11.	Educational programme summary and library facilities	. There is a Scotland-wide education programme for DCT3s which is designed to match the DCT curriculum. The programme will include an induction followed by a number of study events throughout the year, supported by Turas Learn. These events will be delivered with a mix of face to face and online sessions, which will include all DCT3s training in Scotland, as does the annual trainee conference which includes the DCT1s and DCT2s. All trainees have access to study leave time (in line with terms and conditions of service) and budget. This may be used to access MFDS/MFD/MJDF courses and other courses linked to an agreed

		<p>PDP. DCT3 posts include time for self-directed learning and trainees are encouraged to use this time for personal study and to complete quality improvement projects.</p> <p>All DCTs, who have not worked in an Oral and Maxillofacial Surgery (OMFS) unit in Scotland previously, attend an additional two-day induction course: Maxfacts. This course is designed to cover the essential skills for an OMFS DCT post and is delivered by OMFS consultants and senior trainees. The teaching is backed up by on-line resources which will be made available to DCTs prior to the Maxfacts course.</p>
