

POST DENTAL CORE TRAINING FELLOWSHIP 2021/22

Scotland - St John's Hospital – OMFS

**Post not suitable for Temporary Registrants*

1.	Deanery name	Scotland
2.	Type of training post	Post DCT Fellowship
3.	Rotational Post information	N/A
4.	Training unit/location/s	St John's Hospital, Oral and Maxillofacial Surgery Department
5.	Full address of training units where training will take place	St John's Hospital Howden Road West, Howden, Livingston EH54 6PP
6.	Travelling commitment	There will be a requirement to travel within the NHS Lothian Board area in order to obtain a range of experience.
7.	Educational Supervisor	Will be confirmed with post-holder
8.	Description of the training post	This is a busy Oral and Maxillofacial Surgery unit with a dedicated ward. Post holders will gain experience in the management of oncology, trauma and facial deformity in outpatient clinics and operating lists. The post also offers experience of dento-alveolar surgery under general anaesthesia, local anaesthesia, inhalational and intravenous sedation. A medical FY1 doctor supports patient ward care.
9.	Primary Care training element	N/A
10.	Pattern of working, including any on-call commitment	40 Hours per week. Weekdays 8:30 am - 5:30 pm, one late finish 9.00 pm per week, Weekends 8:30 am - 9:00pm (following this 2s day off mid-week)
11.	Educational programme summary and library facilities	<p>There is a Scotland-wide education programme for Post DCT Fellows which incorporates components of the DCT curriculum. These events will involve all the Post DCT Fellows in Scotland and will be held virtually during 2021. The annual trainee conference will give an opportunity for all Dental Core Trainees to submit work to be presented.</p> <p>The Post DCT Fellowship posts include time for self-directed learning and trainees are encouraged to use this time for personal study and to complete quality improvement projects or research. All trainees have access to study leave time (in line with terms and conditions of service) and budget. This may be used to access MFDS/MFD/MJDF courses and other courses linked to an agreed PDP.</p> <p>All DCTs, who have not worked in an Oral and Maxillofacial Surgery (OMFS) unit in Scotland previously,</p>

		attend an additional two-day induction course: Maxfacts. This course is designed to cover the essential skills for an OMFS DCT post and is delivered by OMFS consultants and senior trainees. The teaching is backed up by on-line resources which will be made available to DCTs prior to the Maxfacts course.
