

Confidential Contacts – Biography – Pamela Renwick

I am the General Manager within the Workforce Directorate and have been in this role since May 2024. Since joining NES in 2009, I've had the privilege of working across different directorates in various roles, which I feel has allowed me to develop a broad perspective of the organisation.

Before NES, I worked as a Learning & Development Consultant in the automotive industry for several years.

Outside of work, I enjoy spending quality time with my family, including my two young children. I *try* and keep myself motivated to go the gym regularly and enjoy playing the piano to relax.

This year, I've taken on the role of Confidential Contact within NES and look forward to being able to support my colleagues in this capacity.
