| 6.  | Travelling commitment                                         | There will be a requirement to travel within the NHS Greater<br>Glasgow and Clyde Board area in order to obtain a range of<br>experience.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| 7.  | Educational Supervisor                                        | Will be confirmed with post-holder                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| 8.  | Description of the training post                              | The first part of the post from September 2023 to March 2024<br>is based at Glasgow Dental Hospital. The Oral Surgery<br>department at Glasgow Dental Hospital and School offers a<br>broad range of clinical activities and experience in the<br>following; consultant clinics, minor Oral surgery sessions,<br>supervision and clinical teaching of BDS students,<br>management of emergency patients and experience in either<br>sedation sessions or theatre lists at non base hospital sites.<br>There is a regular Oral Surgery journal club, at which DCTs<br>are expected to present, to benefit from appraisal by senior<br>staff.<br>From March 2024 to August 2024 you will have the<br>opportunity to work in a variety of locations in PDS with a<br>range of clinical supervisors. You will be involved in/have<br>experience of the delivery of a range of treatment for<br>vulnerable PDS patient groups, including children and adults<br>with special care needs and unscheduled care. In anxiety<br>management you will receive training in Inhalation Sedation<br>and may be able to participate in GA sessions. There may<br>also be opportunities for experience in Primary Care Public<br>Health activity, such as NDIP. There will be a requirement to<br>travel within the NHS Greater Glasgow & Clyde health board<br>area to different PDS clinics. |
| 9.  | Primary Care training element                                 | In this post you will work for six months in the PDS. You therefore need to be eligible for an NHS list number.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
| 10. | Educational programme<br>summary and library facilities       | There is a Scotland-wide education programme for Dental<br>Core Trainees which is designed to match the DCT<br>curriculum. The programme has four themes running through<br>each year of Dental Core Training. These are: Clinical,<br>Communication, Career Development Skills and Quality<br>Improvement & Patient Safety. Posts begin with a local                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

|     |                                   | health board and NES induction, followed by a number of<br>face-to-face study events throughout the year, supported by<br>Turas Learn. These events include all Dental Core Trainees<br>in Scotland, as does the annual trainee conference. All<br>trainees have access to study leave time (in line with terms<br>and conditions of service) and budget. This may be used to<br>access MFDS/MFD/MJDF courses and other courses linked<br>to an agreed PDP. DCT posts include time for self-directed<br>learning and trainees are encouraged to use this time for<br>personal study and to complete quality improvement projects. |
